## Tips for Riding the Bus:

- **Passengers may board along the bus route by waving to the driver as the vehicle approaches**
- Respect fellow passengers.
- Food & beverages are prohibited while riding the bus.
- Music must be listened to with headphones and cell phone use is restricted to emergency situations.
- After boarding the bus please sit down. (If there is standing room only please stand behind the line and keep aisles clear).
- Please reserve front seats for persons with disabilities or seniors.
- Strollers and shopping carts must be folded and removed from the aisle.
- Only service animals are allowed on buses.
- Do not cross in front of the bus after exiting; wait until the bus has departed.
- Groceries/packages limited to what passenger can carry.

Statewide access passes for individuals with disabilities are issued by GATRA. The access pass offers half-fares on public bus transportation systems throughout Massachusetts, including GATRA.

A Personal Care Attendant (PCA) may ride free when accompanying an individual with a disability on the fixed-route service. To ride free, PCAs must register with GATRA. GATRA schedules are available in various formats for people with a disability.

GATRA reserves the right to refuse transportation to any person under the influence of intoxicating beverages or drugs or to a person whose conduct or personal hygiene is such or likely to be such as to make them objectionable to other passengers.

\*\*Link 4 Deviated Route - Rosebrook Medical Center - request deviated route by calling 1884-358-4422 at least one hour in advance.

**LINK 2 DEVIATED ROUTE** GATRA operates a deviated service in the Town of Bourne as part of an extension of the regular Link 2 service in Wareham. This service makes a connection to the Peter Pan bus service that travels to Hyannis, Woods Hole, Boston and Providence and also makes connections to destinations within Buzzards Bay, Bourne Village and along Waterhouse Road..

**How does it work?** Once the bus crosses into Bourne, Link 2 becomes a deviated route. It will stop at designated stops as shown on the map and passengers may get on and off the bus at any of these stops just like they would when traveling any normal bus route. Passengers can also request a deviation by calling 1844-358-4422 at least two hours in advance, but not more than a week in advance. The bus will deviate to additional locations for pickups/drop offs as long as the stops fall within the shaded portion show on the map on the reverse side of this brochure.

Link 2 Deviated Route destinations that can be served upon request include: Convention Data Services, Bourne High School, Ryan Amusements, Bourne Bridge Medical, Upper Cape Medical, Massachusetts Maritime Academy, Brookside Medical, Tudor House Apartments, and Bourne Oaks Apartments.

**How do I catch the bus?**

- Check the schedule to see when the bus will be traveling by a designated stop. Walk to a designated bus stop along the route or wave to the driver as the vehicle approaches. No phone call is necessary to get on or off the bus along the usual route.
- Call 1-844-358-4422 to request a pickup or drop off at stops that are not along the route, but are within the shaded area on the map. Requests for deviations must be made at least two hours before the requested bus is scheduled to depart. We recommend calling a day or up to a week ahead for the best service as deviations will be done upon availability.

**When can I use the Service?** Link 2 is available hourly on weekdays from 7:55 AM to 5:30 PM and every two hours on Saturdays from 8:55 AM to 5:30 PM.
