Mr. Francis Gay, Administrator  
GATRA  
10 Oak Street, 2<sup>nd</sup> Floor  
Taunton, MA 02780

Mr. Gay,

I support the Greater Attleboro-Taunton Regional Transit Authority (GATRA)'s application to the U.S. Department of Transportation's Fiscal Year 2016 TIGER Discretionary Grants for the Plymouth Multimodal Center in Plymouth, Massachusetts. As a state representative whose district includes a portion of Plymouth, this project is important to my constituents because it invests in infrastructure that improves access to jobs, businesses, services, medical care, education, and tourism sites, as well as other transportation options. The details of this project will save time and money, and will mitigate environmental impacts by providing more options of transportation.

Sincerely,
