

Route 1 and Route 9 Proposed Changes

This route will combine the current Route 1 and Route 9. After leaving Presbrey Court the new Route 4 will turn right on Somerset Ave., right on Highland St., left on Cohannet St., right on Warner Blvd., serve Hannafords, and continue the current Route 1 routing back to the terminal.

Warner Blvd. south of Cohannet St., Spring St., South St., and Railroad Ave. will no longer be served.

The bus will alternate taking a left and right out of the GATRA terminal in order to serve the loop in both directions.

New Route 4
