**\*\*\* ADDENDUM ONE\*\*\*  
RFQ for DESIGN and CONSTRUCTION PHASE SERVICES  
APRIL 26, 2024**

The following are answers to questions received by GATRA during the question-and-answer period for the Request for Qualifications for Design and Construction Phase Services.

1. For the RFQ Contract No P2024-042: Design and Construction for Wareham Maintenance Facility, should our submissions include the Massachusetts Standard Designer Application Form?

**Yes**

2. Are weekly project meetings and monthly progress meetings intended to be in-person or can these meetings be completed virtually?

**Weekly project meetings and monthly progress meetings are anticipated to be a combination of in-person and virtual setups depending on the project phase, with a majority of virtual meetings occurring during Design Development phase then shifting to more in-person during Construction as appropriate.**

3. Should we use the DSB application form for our submission?

**Yes**

4. Will this be a pre-engineered building?

**Yes**

5. The Preliminary Site Plan included with the RFP is from Merrill Engineering. Will civil design be part of our scope or work, or is civil design to be contracted directly with the owner?

**Civil design is contracted by the owner and will be available to the designer.**

6. Who is serving as OPM for this project?

**Aecom**
