

*****ADDENDUM ONE*****

**REQUEST FOR PROPOSALS (RFP) TO PROVIDE MANAGEMENT SERVICES FOR BOTH FIXED ROUTE AND DEMAND RESPONSE SERVICES and OPERATION OF MICROTRANSIT SERVICES
June 11, 2026**

The following are answers to questions raised at the meeting by potential proposers as well as any questions received by GATRA after that meeting. Attached are requested documents.

Clarification 1: GATRA Go Coastline is a microtransit service, however it is operated under the Management Contract out of the Wareham facility.

1. Will the contractor for the microtransit be responsible for maintaining the vehicles? *Yes, they will be responsible for day-to-day and preventative maintenance of the vehicles used in this service. Larger items will be discussed with GATRA on a case-by-case basis.*
2. Is the 401K for the union membership full funded? *The plan is administered by the union and the company's obligation is limited to making required contributions under the applicable bargaining agreement.*
3. What level of maintenance will the management contractor be responsible for in the Taunton and Wareham facilities? *These would be small routine maintenance items; GATRA has a facilities team that will assist with larger items.*
4. Are Performance Bonds required? *No, the only clauses that are applicable to this procurement are checked off on page 13, all other clauses are not applicable.*
5. Expected Start Date? *GATRA anticipates the contract to start September 1, 2026, but recognizes this could shift due to transition needs.*
6. Does the submission for the Management Contract need to include resumes for both the General Manager and Assistant General Manager? *Yes*
7. Will there be separate contracts? *Yes*
8. Does Micro Transit contract need a General Manager? *This office will need to be fully staffed by the successful proposer including any onsite management staff that they feel are necessary to oversee day-to-day operations.*
9. Will this be a five-year contract or a shorter one with options? *The contract will be for 5 years.*
